< Hiatus Notice >

Hello, I'm Saejung.
First off, I'm sorry for this hiatus notice. TT TT
Ghost Wife is going on a hiatus for a while in order to reorganize and prepare for more robust progress. I've experienced fatigue while working on this series and will take this period to recover my health. I will work hard to refine this series and return with a more interesting Ghost Wife.

Thank you very much for your continued interest and support for Ghost Wife.

(I'm sorry that I can only offer this)
